

# Veolia Summer School

Come and join Veolia !

One week to discover how Veolia  
through its solutions - water, waste recovery and  
recycling, energy - has a part in resourcing the world.

*Veolia invites students from your university to come to Paris, France*

## June 26 to July 4, 2016

*Contact (for more information about the selection of students)*

Resourcing the world
