Project Manager (HVAC)

About us:

Veolia Solutions Bulgaria, part of the Veolia Group, specializes in operating and maintaining building and industrial technical facilities.

The Role:

We are looking for a motivated and dedicated Project Manager with experience and expertise in the field of HVAC to join our professional Operations Team on a permanent contract.

Responsibilities:

- Oversee the preparation and execution of projects, from crafting client proposals and signing contracts to commissioning facilities;
- Manage permit acquisition, form partnerships, select subcontractors, and explore optimal project implementation opportunities;
- Lead the collection and analysis of data from pre-project and feasibility studies;
- Coordinate and control the activities of partners and subcontractors (designers, builders, architects, supervisory bodies, installers) to protect Veolia's and the client's interests;
- Review and approve project changes;
- Validate technology and equipment selections. Conduct meetings and negotiations with suppliers;
- Propose technical solutions, improvements, and optimizations;
- Document activities and approve completed work;
- Prepare offers and technical proposals for industrial clients;
- Perform other related activities.

Profile:

- Higher technical education in a relevant field;
- High financial literacy;
- 5+ years of experience in technical facility, supply, construction and commissioning;
- 3+ years of project management experience;
- Valid driver's license;
- Proficient computer skills;
- Working level of English;
- Comfortable with following corporate processes and procedures;
- Knowledgeable in regulatory requirements for safe working conditions;
- Team-oriented and collaborative;
- Excellent communication and presentation skills.

We Offer:

- Competitive remuneration;
- Standard working hours;

- Benefits package: food vouchers, additional health insurance, holiday and social bonus system, opportunity to purchase company shares.
- Corporate training and opportunities for growth and development;
- Excellent working conditions at an international company.

*** In case your application is approved, we will contact you. In case we do not contact you within 4 weeks, you can consider we will not proceed further with your application for this specific position. We thank you for your interest.**

**** All applications are to be reviewed under complete confidentiality. Veolia collects and manages candidate personal data in consideration of the Law for protection of the personal data and Regulation (EU) 2016/679 of the European Parliament and Council for recruitment purposes.**
